SHOE FACTORY

25X1

The 11 June Shoe Factory in Ramnicul Valcea employs 600 workers in one eight-hour shift in the production of men's rubber-soled work shoes. Six hundred pair are manufactured daily. They sell for 1,500 lei per pair, one pair is obtainable per year on ration cards. The plant consists of a two-story building 56-168 meters, the upper story completed in 1950, and seven other buildings varying in size from 25 to 70 meters wide and from 16 to 160 meters long. The first building contains the shoe plant the others contain leather and hide processing facilities.

Director is Ioan Vecerdea, a naturalized Rumanian citizen born in the USA. Assistant director is Gheorghie Croitoru.
